## FOR THE FIRST TIME IN A DISCOUNT DEPARTMENT STORE...

"One Stop" Shopping Center

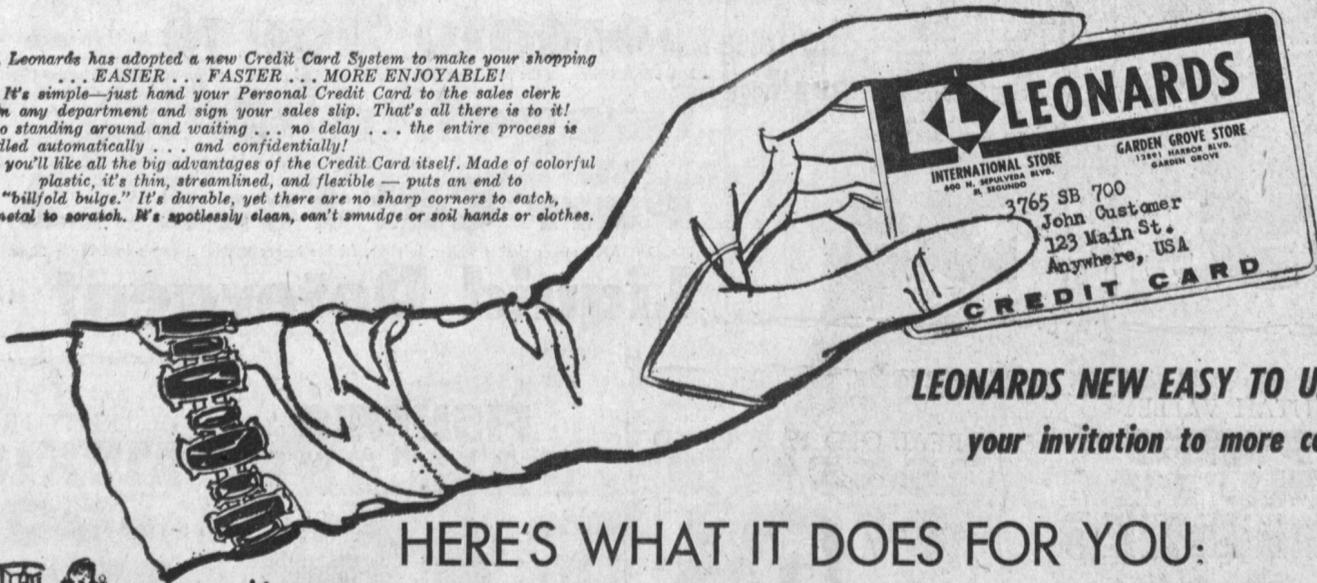

# NOW!

## ANOTHER LEONARDS FIRST...

Now for the first time, you are able to enjoy the convenience of a Credit Card... and also continue to enjoy Leonards unbeatable storewide discounts.

# ...and CREDIT CARDS DISCOUNTS TOO!

Yes, Leonards has adopted a new Credit Card System to make your shopping... **EASIER... FASTER... MORE ENJOYABLE!**  
It's simple—just hand your Personal Credit Card to the sales clerk in any department and sign your sales slip. That's all there is to it! No standing around and waiting... no delay... the entire process is handled automatically... and confidentially!  
And you'll like all the big advantages of the Credit Card itself. Made of colorful plastic, it's thin, streamlined, and flexible—puts an end to "billfold bulge." It's durable, yet there are no sharp corners to catch, no metal to scratch. It's spotlessly clean, can't smudge or soil hands or clothes.

... Just say  
**"Charge it!"**

LEONARDS NEW EASY TO USE CREDIT CARDS are your invitation to more convenient shopping!

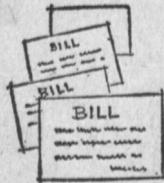

### HERE'S WHAT IT DOES FOR YOU:

**1. Speeds Shopping**  
A machine automatically writes your name and address. It shortens your purchase time and gives you more time to shop.

**2. Eliminates Confusion**  
No one else's charge slips can be confused with yours, and your charge—send purchases can't go astray.

**3. Positive Identification**  
Your new plastic credit card tells us at a glance who you are and where you live, and it's 100% accurate.

**4. Easy to Use**  
Just slip your plastic credit card in your wallet or coin purse. It's lightweight, durable, colorful, spotlessly clean and won't soil hands or clothes.

**5. It's Modern**  
It's no longer necessary to stand around while old-fashioned sales slips are filled in after a purchase... Cuts shopping time way down.

**6. It's Handy**  
Your credit card can always help to identify you for making charge purchases elsewhere too. Handy in so, so many ways!
